

Scout Division

- A parent or responsible adult must be at the field from the time the player arrives - to the end of the game. Exceptions must be discussed with the Scout Division Representative.**

- Morgan Hill Pony Baseball is a NON-PROFIT organization. Without volunteers we would not be able to provide our players with a program of baseball. Please consider where you might be able to help and contact the appropriate Board member at www.mhpb.org . There is always an opportunity to pick up a shovel or a rake and help the coaches prep the field, or help in the snack shack.**

- The Scout Division is not required to complete the league volunteer requirements but volunteering is strongly recommended whenever possible. Help can be provided by parents, family members or friends. Opportunities include:**
 - cleaning up around the field we play on after each game**
 - Opening Day preparations**
 - Tournament volunteer**
 - Snack Shack**
 - Fund-raising**
 - Team Parent**
 - General field prep**
 - Team Sponsor (\$300 fee - fill out the team sponsor form found at www.mhpb.org)**
